

PACRAT RACE 1 RESULTS: Timberline - 1/11/09

Results Based on a Par Time of 21.67 seconds

And so it begins. Despite the unpredictable weather, we had a great turn out with almost 200 racers, and we had a nice fast course. Remember we adjusted the class barriers this year to get a better bell shaped distribution. We redid last year based on the new barriers to get existing racers assigned to the proper class to start the year, so don't be surprised if you are in a different class than you ended up in last year. With that said, after the first race its very tight at the top with three teams within 3 points of the lead and then a big group in the middle with 15 teams within 15 points of each other. Previous winner Psychothermia leads the race with Avalanche Express and Vertigo Madness right behind. Don't be discouraged if your team is not near the top to start as we have seen huge point swings in the past. Those teams who have the best participation will be in the running at the end so make sure your teammates show up to all of the races. We have 13 boarders this year and we'll score them with the 10% discount as prescribed by NASTAR. As for individuals, Steve Piazza decided to scrape the wax off his skis for his second run and passed Chris Kafka for fastest dude and Violet Anderson took top honors for the ladies. Everyone did a good job avoiding the finish while slipping which cut down on reruns and helped keep things rolling. Our next scheduled race is at Meadows. Anyone wanting to participate in the FWRA Championships at Northstar at Tahoe April 3-5 please contact Dale Parshall right away.

Remaining Races/Events: Meadows - 1/25/09; Timberline - 2/15/09; Meadows - 3/8/09; Ski Bowl - 3/22/09; Make-up (if needed) - 3/29/09; Rat Attack - TBD.
