

PACRAT RACE 5/FINAL RESULTS: Meadows - 4/21/10

Results Based on a Par Time of 43.15 seconds

After 4 races in nice weather, the weather gods took it out on us for the last race. At least it was a fun course. Longer than our usual venue which can make it both more challenging and more fun. And we have an old champion returning to the top spot this year. Racy Brats came from behind to nip Ruttin' Rats for the victory. Rattitudes made a late push and jumped from 8th to 3rd. King and Queen Rat are awards to racers who show the most consistent and greatest improvement over the course of the season. This year's King Rat is Frank Hadella (Rattitudes) who improved his handicap in all of his races and showed an overall improvement of 31%. Queen Rat is Elsebeth Frank (Rat Racers) who showed improvement in three races and had an overall 62% improvement over the year. For race 5, Aaron Anderson was out with an injury which left the race for fastest man wide open and Bruce Parshall came through with a smokin' run on some demo skis. Guess he will be wearing some new skis next year. On the ladies side, Colleen Walter showed that race 4 was no fluke and repeated the feat in the last race of the year. See the last page for the usual annual statistics. I think the year was pretty much par for the course for us with some good and some bad. The board will continue to endeavor to get a perfect year in one of these times. See you next year.

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes/upstrikes starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season.
