

PACRAT RACE 4 RESULTS: Meadows - 3/13/11

Results Based on a Par Time of 42.02 seconds

Well, it was a fun course even if the weather and timing equipment didn't cooperate. Apologies for the timing snafus. This was the longest course with most terrain change we have had to date. We were having radio signal issues (Meadows says there were atmospheric issues effecting their radios so lets use that as the excuse). We will work on moving the transmitters and receivers around in the future to improve signal strength before the race starts. We are moving up the learning curve with the timing equipment. As for results, Ruttin' Rats increased it's lead but there are plenty of teams that can still catch them. Six teams are within 10 points of second place with Avalanche Express moving up five places to join Racy Brats and others in the chase. Chilled Brewskis moved from 24th to 13th, again showing you can see big point swings in one race, especially if your team has full participation. As for individuals, brother Bruce showed his affinity for Middle Fork and smoked the field by over a second for the second year in a row. Colleen Walter took over the top spot for the ladies. Remember that you can not substitute racers if a racer has already competed this year (unless you get board permission well ahead of time for extreme circumstances). Our last scheduled race is at Ski Bowl this Sunday. Please note the venue change for the Rat Attack (we will be at the Refectory).

Remaining Races/Events: Ski Bowl – 3/20/11; Rat Attack – 4/15/11 (Refectory). Race Results and other information are on-line at www.pacrats.org
