

PACRAT RACE 1 RESULTS: Meadows - 1/13/13

Results Based on a Par Time of 21.47 seconds

We are off to a half way good start! The weather and course were great, now if we can get the timing to work on both runs. At least we were able to crank everyone through each course and not be too late. The course held up great thanks to everyone's efforts with course maintenance. We had a few slipping issues. Some weren't paying close attention to racers on the hill and caused some interference and some went through the finish, both of which caused a rerun to two, so please watch for those things. We had 188 racers show up for our first race. One team (Lab Rats) had an exceptional day, scoring 56 points to take the early lead. 11 teams are bunched within 12 points of each other between 2nd and 12th and most of the rest aren't that far off. Don't be discouraged if your team is not near the top to start as we have seen huge point swings in the past, especially if your team has full participation. We have four boarders this year and we'll score them with the 10% discount as prescribed by NASTAR. As for individuals, there's strong competition for fastest man and woman on the hill with Jay Pollock topping the men this race and Brenda Ackerson topping the ladies. If you haven't heard we made some rules changes to clarify how some of the "sandbagging" issues will be handled this year. Check out the Operations Manual under the RACERS tab on the PACRAT website under the Upgrading by Strike System and Downgrading by Strike System sections. Our next scheduled race is at Ski Bowl January 27.

Remaining Races/Events: Ski Bowl - 1/27/13; Ski Bowl – 2/10/13; Meadows - 3/17/13; Timberline - 3/31/13; Rat Attack – 4/19/13 (tentative). Race Results and other information are on-line at www.pacrats.org
