

PACRAT RACE 5 RESULTS: Meadows - 4/7/13

Results Based on a Par Time of 33.94 seconds

The weather gods didn't want us to get in that last race, but our dedicated race crew and 111 die hard racers got it done. Way to go! So remembering that we count the best 4 out of 5 races for each racer, Ruttin' Rats added 52 points to their race 4 total to retake the lead and win the season's top spot. Racy Brats were a comfortable 2nd, and Kiss My Wax held on to 3rd. The other big mover on the day was Frosted Flakes who added 53 points to their race 4 total to jump from 21st to 12th, just out of the awards. King and Queen Rat are awards to racers who show the most consistent and greatest improvement over the course of the season. This year's King Rat is Ted Stagnone (Tasmanian Ski Devils) who improved his handicap every race and showed an overall improvement of 72%. Queen Rat is Jill Parshall (Racy Brats) who showed improvement every race and had an overall improvement of 30%. For race 5, Jay Pollock claimed the last fastest man on the hill title, making for three different fastest men for the year. On the ladies side, Colleen Walter claimed her fourth fastest woman on the hill title of the year. See the last page for the usual annual statistics and please note the correlation between participation and final team standings. Feel free to give the board suggestions to make things better. See you next year.

Classifications according to League Rules.
Classification for first race based on previous season class finished with downstrikes/upstrikes starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season.

Names with an * after them are snowboarders or telemarkers. Snowboard and telemark times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. $\text{time}/0.9 = \text{raw time}$).

Racers with a “b” in the points column earned a bonus for improving on their best handicap of the season as outline in PACRAT’s Operations Manual.

Racers with a “u” in the Upstrike/Downstrike column have received a third or more upstrike this race and have been moved to the class qualified for this race as outline in PACRAT’s Operations Manual.
