

# PACRAT MARCH 16, 2014 1<sup>st</sup> RACE RESULTS

Results Based on a Par Time of 21.43 seconds

We finally got another race in and were even able to make it a two-fer! The weather and course held up for a long day of racing. Thanks to everyone's efforts with course maintenance. For some of our less experienced racers, if you are interfered with and think you need a re-run, do not finish the race. Ski off course and report to the timing shack (or other race official). If you finish and get a time we have to use that time. We had 149 racers show up and I think most did four runs on the day. It's nice to have so many enthusiastic racers! Mixed Nuts scored 61 points to move into 2<sup>nd</sup> and cut into Ruttin' Rats team lead. Rattitudes moved from 17<sup>th</sup> to 10<sup>th</sup> and Schussing Shysters moved from 14<sup>th</sup> to 9<sup>th</sup> for our big movers. 7 teams are within 30 points of the lead with most of the rest bunched tightly below that. Don't be discouraged if your team is not near the top as we have seen huge point swings in the past, especially if your team has full participation (please note the relationship between participation through two races and team standings). Ken Park claimed his first fastest man on the hill crown of the season and Colleen Walter remained fastest of the ladies, but both races were very tight. We will continue to use the rules that we adapted last year to help combat some of the "sandbagging" issues. Check out the Operations Manual under the RACERS tab on the PACRAT website under the Upgrading by Strike System and Downgrading by Strike System sections. Please note that class barriers were adjusted starting this season to reflect racer distribution over the past five years. Last season was recalculated to put returning racers in the appropriate starting class based on the new class barriers.

Remaining Races/Events: Timberline - 3/30/14; Timberline – Make-up Race - 4/6/14; Rat Attack – 4/18/14. Race Results and other information are on-line at [www.pacrats.org](http://www.pacrats.org)

Names in ***bold/italic*** are PACRAT pacesetters.

Names with an \* after them are snowboarders.  
Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules.  
Classification for first race based on previous season class finished with downstrikes ("D")/upstrikes ("U") starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season. D with an \* after them indicates a handicap that is more than one class below existing class. U with an \* after them indicates a more than two class move during the season. Racers with no prior PACRAT experience classified according to time in their first race of the season.
