

PACRAT JANUARY 25, 2015 RACE RESULTS

Results Based on a Par Time of 17.22 seconds

Another year with a challenging start, but we got our first race in! The weather was great and the course held up well thanks to our race crew and everyone slipping. Hardly any slippers went through the finish, thanks for watching out for that, your timing crew appreciates it. AJ Kitt was there to help us with our NASTAR pacesetting trials. We had 163 racers show up for our first race. Newcomer On The Edge scored 46 points to take the early team lead. 10 teams are bunched within 10 points of each other between 1st and 10th and most of the rest aren't that far off. Don't be discouraged if your team is not near the top to start as we have seen huge point swings in the past, especially if your team has full participation. We have three boarders this year and we'll score them with the 10% discount as prescribed by NASTAR. As for individuals, there's strong competition for fastest man and woman on the hill with Peter Dodd topping the men this race and newcomer Masha Los topping the ladies. We have several racers returning from long ago – welcome back! Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. Our next scheduled race is at Meadows February 8. See you there.

Remaining Races/Events: Meadows – 2/8/15; Meadows - 2/22/15; NASTAR Open, Ski Bowl – 3/15/15; Timberline - 3/22/15; Make-up Race (location TBD) – 4/4/15; Rat Attack (location TBD) – 4/17/15. Race Results and other information are on-line at www.pacrats.org

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes ("D")/upstrikes ("U") starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season. D with an * after them indicates a handicap that is more than one class below existing class. U with an * after them indicates a more than two class move during the season. Racers with no prior PACRAT experience classified according to time in their first race of the season.
