

PACRAT March 20, 2016 RACE RESULTS

Results Based on a Par Time of 29.42 seconds

Last race and wouldn't you know we finally had a little rain. Fortunately it wasn't heavy and the course was salted and held up pretty well. Once again, a big thank you to everyone who help not only with this race but with the whole season. We were able to get all of our races in on the scheduled days which hasn't happened for a while. Despite the weather and Spring Break, race five had 130 racers show up out of 177 that are currently signed up. Schussing Shysters had just enough points from their seven racers to hold on to the lead and win the trophy by only four points over Ruttin' Rats. Rounding out the top five were The Ocho Plus, Oui Ski, and Ragnar's Two. Racy Brats was high scorer for the last race with 64 points. Remember we score the best four out of five races for each racer your worst scoring race was dropped for the final total. King and Queen Rat are awards to racers who show the most consistent and greatest improvement over the course of the season. This year's King Rat is Kerry Stevens (Schussing Shysters) who improved his handicap every race overall improvement of 35%. Queen Rat is Tina Weber (Oui Ski) who showed improvement every race and had an overall improvement of 15%. As for individuals, Steve Sarich reclaimed the top spot for the third time this season and Marina Nimmo claimed her first fastest woman on the hill crown for the second time. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. Our next scheduled race is next season. See you there.

NEW RACERS – MEN

164	Scott	Morrison	DNS
184	Troy	Bowman*	DNS

Names in *bold/italic* are PACRAT pacesetters.

Names with an * after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes (“D”)/upstrikes (“U”) starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season. D with an * after them indicates a handicap that is more than one class below existing class, and 2D with an * after them indicates no bonus awarded due to prior race having a handicap that was more than one class below existing class. U with an * after them indicates a more than two class move during the season.
