PACRAT 2022 TEAM REGISTRATION

Registration will be completed on the PACRAT online registration site only. Individual team members may compete in either the Friday or Sunday division meaning that each team may be split between Friday and Sunday Divisions. Smaller teams may be combined to form a full team once registration is complete.

PACRAT 2022 SCORING SYSTEM

One Friday Division race and one Sunday Division race will constitute one Full Season Race. The last combined Sunday race will also constitute one Full Seasons Race. Racers will be awarded up to 5 points within their competing class, with seven women's classes and seven men's classes. Racers will be awarded 2, 3, 4 or 5 points based on which quarter they place in their class (Elite class will be the top 1/3 and then the last 2/3 broken into thirds, Beginner class will have quarters determined by widest range of other classes, 1 point for did-not-finish or falling below the class). Bonus points will be awarded if a racer beats their previous best handicap, and up-strikes/down-strikes will be applied per standard PACRAT rules. The top four out of five scores per racer will be counted for team scores. First race class placement will be determined from last season's race results. New racers will be placed in the class they finish in during their first race.

PACRAT 2022 COVID PROTOCOLS

Physical distancing and face coverings will be enforced during races this season per resort guidelines. Temperature and wellness checks may be required pending resort guidelines.

PACRAT 2022 RESORT EXPECTATIONS

Racers will be expected to use their cars for base operations. Dressing and booting up must be done in the parking lot.
