Per the PACRAT Bylaws, each team from the previous race season shall be allocated one vote with the maximum number of votes allocated to a representative club being limited to 25% of the total teams with at least 6 racers signed up, rounding down (i.e. if there were 19 teams the maximum number of votes a representative club could have equals 4 (25% of 19 = 4.75 which rounded down is 4)). Teams shall designate the person who gets to vote. In the event a club has more teams than allocated votes, the club shall decide which teams get to vote.

We had 22 teams so the maximum votes for a club is 5. Based upon this year's number of teams, here is the breakdown of clubs and number of votes.

Mt. High - 5 votes

Cascade - 4 votes

Skiyente - 2 votes

Schnee Vogeli - 2 votes

Bergfreunde - 1 vote

PACRAT/Force One - 1 vote

Please make sure you have representatives for each of your teams noted above at the meeting to vote!
