

# PACRAT FEBRUARY 28, 2016 RACE RESULTS

Results Based on a Par Time of 42.48 seconds

There was some brutal wind, but at least it was snow and not rain falling from the sky. The course held up really well despite the warmer temperatures the previous day(s). We were missing a few board members and Rat Patrollers so thanks to those that stepped in to help out. If you haven't noticed, NASTAR's website is back up and running and our prior race results are there. For race four we had 122 racers show up out of 177 that are currently signed up. I know several people had prior plans and some figured the snow conditions wouldn't be good, which didn't turn out to be the case. Schussing Shysters scored 47 points to remain in first place. The Ocho Plus also scored 47 points and moved into second place, and Ruttin' Rats scored 53 points to move up to third. Mixed Nuts was high point scorer with 60 points (see what having all teammates show up does) and moved up three places. Avalanche Express also had all of its teammates and moved up three places. One more race to go. Remember we score the best four out of five races for each racer so the last race could see some interesting team moves. As for individuals, Geoff Mihalko put in a blistering run to take fastest man on the hill honors and Marina Nimmo claimed her first fastest woman on the hill crown. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. Our next scheduled race is at Timberline March 20. See you there.

Remaining Races/Events: NASTAR Open, Ski Bowl – 3/13/16; Timberline - 3/20/15; Make-up Race (location TBD) – 4/3/16; Rat Attack (Edgefield – Blackberry Hall) – 4/15/16. Race Results and other information are on-line at [www.pacrats.org](http://www.pacrats.org)

Names in *bold/italic* are PACRAT pacesetters.

Names with an \* after them are snowboarders. Snowboard times are discounted 10% per NASTAR guidelines. To get your raw time, divide the time shown by 0.9 (i.e. time/0.9 = raw time).

Classifications according to League Rules. Classification for first race based on previous season class finished with downstrikes ("D")/upstrikes ("U") starting anew with the new season. Racers with no prior PACRAT experience classified according to time in their first race of the season. D with an \* after them indicates a handicap that is more than one class below existing class, and 2D with an \* after them indicates no bonus awarded due to prior race having a handicap that was more than one class below existing class. U with an \* after them indicates a more than two class move during the season.
