

PACRAT January 21, 2018 RACE RESULTS

Results Based on a Par Time of 26.46 seconds

Time for another year of racing! The weather was iffy and the crowd horrific but we had snow (thanks to Meadows for letting us move the race) the course held up well thanks to our race crew and everyone slipping. Only a few slippers went through the finish, thanks for watching out for that, your timing crew appreciates it. We had 183 racers show up for our first race out of 218 that are currently signed up. If you know anyone who wants to join us, it's not too late. We had AJ Kitt paceset for us. You might have noticed a few of our racers took more than two runs – that was in order to establish NASTAR pacesetter handicaps for them so they can handicap our courses for NASTAR going forward. Newbies The Beer Denners scored 53 points to take the early team lead with long timers Chilled Brewskis right behind and a host of others chasing. So a close race to open the season. Don't be discouraged if your team is not near the top to start as we have seen huge point swings in the past, especially if your team has full participation. We have three boarders this year and we'll score them with the 20% discount as prescribed by NASTAR. As for individuals, there's strong competition for fastest man and woman on the hill with Alex Smoot topping the men this race, just edging Steve Sarich. Breanne Morton was the fastest of the ladies. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. Our next scheduled race is at Meadows January 28. See you there.
