

# PACRAT March 31, 2019 RACE RESULTS

Results Based on a Par Time of 28.88 seconds

What a great day for our last race up on the Mile at Timberline! The course held up pretty well throughout the day with the help of a little salt. Thanks to the Rat Patrol and all the racers who worked to keep the courses in good condition throughout the year. Vacations might have resulted in a little lower turnout but we still had 153 out of 217 signed up make it. And the top teams had good participation. The top four teams ended up within 9 points of each other and Ragnar's Rangers Two scored a net 55 points (remember we score the best 4 out of 5 scoring races for each racer) to put a little scare into leader The Beer Denners, who was able to hold onto the lead and take the team title by 6 points. As for individuals, King Rat for the year goes to John Bard who had the best handicap improvement out of several racers who showed handicap improvement in all four races this year. Queen Rat goes to Paige Stoyer who was the only one who showed handicap improvement in all races this year. Steve Sarich took the last fastest man on the hill title, making it two for Steve and four different racers claiming that distinction this year. Breanne Morton claimed her fourth fastest woman on the hill. Please refer to the last page of these results for various season statistics. Check out the Operations Manual under the About Us tab on the PACRAT website if you have any questions about the rules, scoring, etc. See you next year.

Remaining Races/Events: See you next year. Race Results and other information are on-line at [www.pacrats.org](http://www.pacrats.org)
